CONDITIONS FOR PARTICIPATION TO THE TRAINING PROGRAMS

By signing the registration form, the learner and CERONAV undertake to comply with the following:

A. The STUDENT:

A.1. To make the payment of the course attendance fee practiced at the registration date, **within 24 hours**, in the amount of 50% or 100%; In the case of payment of 50% of the fee, the difference between the fee approved and practiced at the start date of the course and the initial advance will be paid until the course is completed. In the case of payment of 100% of the fee, the learner has no financial obligation towards the institution. The fee paid for the course participation may be reimbursed, if the refund request is made before the course starts and, in special situations, on the basis of supporting documents, with the approval of the Executive Management and after the beginning / end of the course.

A.2. The course attendance is mandatory. Absence from the course leads to expulsion without reimbursement of the participation fee. In special cases, when obvious supporting documents are presented, the learners can be re-planned in the same course with the approval of the Studies Director.

A.3. Participation in courses is mandatory. Absence from the course leads to expulsion, without reimbursement of the participation fee. In special cases, when obvious supporting documents are presented, students may be rescheduled to the same course with the approval of the Director of Studies. **A.3.** Participation in training programs is conditioned by medical and psychological aptitude endorsements.

A.4. For practical training programs in offshore system, in addition to the medical certificate mentioned in the paragraph above, it will be required to fill in a medical declaration on own responsibility (standard form), regarding the state of health.

A.5. Participation in training programs containing practical applications that take place in CERONAV's practical training base, respectively in training bases contracted with third parties, is also conditioned by occupational health and safety training (S.S.M.) and emergency situations (U.S.) by the use of appropriate equipment.

A.6. Smoking is forbidden, except for specially designated places.

A.7. The access of students to CERONAV offices is made in decent attire and based on an identity document.

B. CERONAV:

B.1. Ensures the best conditions for conducting courses based on internal regulations and approved methodology.

B.2. Ensures the learner that the level of training complies with national and international norms and standards.

B.3. Provides consultancy to the client at registration in order to optimize the course period.

B.4. Assure the learner that his/her observations and proposals will be taken into account in order to improve CERONAV's work.

B.5. CERONAV holds the copyright for all teaching materials distributed.

B. FINAL INFORMATION:

C.1. Any disputes will be settled amicably or, otherwise, at a court.

C.2. The conditions of participation are considered accepted by signing this form by the course participant.
